

Message from Aubrey, your Treasurer.

Each year since I have been a member of HBKA I have attended the AGM and since being appointed Treasurer I have presented my report and accounts to the meeting and answered any questions or queries arising there and then. I also ask for the meeting to approve them and adopt them. Similarly with the renewal subs. The meeting formally has to adopt (or reject) my proposal for the amounts of the renewals.

Unfortunately, I cannot attend this year so I have put the accounts on the members' page and if there are any queries arising please let me know and I shall answer them. Hopefully, the notes to the accounts will provide all the information you require – but you never know.

Also, In my Treasurer's Report I have included my proposal for the amount of 2012subs which, as they haven't changed now for a few years, I assume will be approved without question

However, should there be any queries. Please contact me on 0208 9078387 or ajkutner@gmail.com

Finally, every one who attends the AGM and has previously paid their subs will find their 2012 BDI certificate which also serves as a receipt for your payment.

I wish everyone a happy, healthy and good beekeeping 2012 and apologise for my absence.
